COUGARS SLIGHT FAVORITES IN SATURDAY'S TRACK MEET

Cougar Veterans Are Counted on to Bring Home the Bacon; First Meet in New Stadium

Saturday evening, April 26, the B. Y. U. and Utah Aggie track teams will open the state inter-collegiate track and field season on the "Y" field. The Aggies will bring a strong, well-balanced team, led by Captain Vasco Cal, vaulter and high jumper, and Glenn Worthington, hurdle and sprint phenom. Sport critics are picking the Cougars as slight favorites over their rivals because of the "Y's" apparent strength in almost every event, and the presence of a number of veterans whose performances have been outstanding in former years.

The Aggie squad includes a number of veteran track men upon whom Coach Tom Ramsey is placing his hopes in Saturday's meet. Vasco Cal, Glenn Worthington, Len Myers (center Stewart), Theron Hart (Coltspe), Keith Stranger, Ren Smith, Charles Dunn, Bill Gedeck, Alti Gudmundson, Cy Phillips, Mike Hovins, and "Red" Wade represent a group of stars with enough personal strength to push any team to the conference to the limit to register a win.

The U. C. squad appears especially strong in the javelin, pole vault, 440-yard dash, hurdle, and 100-yard dash. Ren Smith, with a distance of 22 feet 6 1/2 inches, bettered any mark yet made in the broad jump at the Cougar camp. In the Aggie's recent inter-team meet, their marks in the javelin, sports, 440-yard dash and pole vault compare favorably with the marks hung up by the "Y" during the inter-collegiate meet.

The "Y" will enter a large, apparently well-balanced team. Captain Owen Rowe, Boyd Rasmussen, and "Clay" Vaulter will lead the Cougars in the sprints. In the middle distances, Les Wright and Brad Jensen, two veterans, are the "Y's" longest bet. The longer races will be taken care of by Tony Bentley, Charles Merkleby, and Hugh Nelson. An especially strong entry in the weight events includes George Corbett, Carl Burnett, Mark Rieve, and Paul Thorne. Lorenzo McGreggor, Orr Hildahl and Arthur Nielsen will offer the Aggie plenty of competition in the high jump. Henry Hennings and Owen Rowe will perform in the high and low hurdles respectively. George Staples and McGreggor are the strongest entries in the pole vault. Bob Kitchen carries the

COUGAR ERRANTS WIN IN INTRA-MURAL MEET

CORBETT BETTERS STATE RECORD ON DISCUS; REEVES SETS HAMMER MARK

The Cougar Errant social unit still holds the track championship won in last year's inter-school unit meet, again garnering the highest number of points.

Owen Rowe entered the meet undefeated and carried off four first places for twenty points, nine more than his nearest competitor.

George Corbett was high point man in the weights. He tossed the discus 140 feet 10 inches to break the state record of 139 feet 6 inches, held by Bill Cox of the University of Utah.

He also placed second in the shot put and hammer, and came through with 11 points for second place honors of the meet.

Les Wright, middle distance star, was forced to cut 2.5 seconds from the 440-yard dash record of last year to beat Boyd Rasmussen in the time of 1:11.25, and in the 100-yard race he finished in 1:08 time, and in the 200-yard race he finished in 2:25 time.

The third record was established by Peter Hansen in the 100-yard breast stroke, the time being 1:30. Team honors were captured by the Cougar errants with a total of 79 points. Winner took second with 79 points.

None of the Cougar's chances for a state title in the 100-yard dash were entered in the meet, since Coach Leaf decided it would be unwise to enter teams that weren't still in training.

Weather Man Predicts Spring For May 3rd

A special telegram has just been received from the weather man to the effect that instead of spring coming on May 15 as predicted a few days earlier, it will be here on May 3rd. The telegram is from the United States Department of Commerce, and it is a special request from Dan Fessenden that all girls of the school be ready to dress in gay spring costumes on Friday, May 3.

Cougar's hopes in the javelin. Marks made in the inter-collegiate unit at the local field last week point toward the possibility of several wins, and possibly conference records being broken.

Is West Point An Amateur Institution?

"Under their heavy names regularity changes recently," states S. Day in the May College News. "The mode of academic instruction is quite the opposite of the pedagogical theory. It is largely the blackboard tradition, a mechanical, artificial class room procedure, a set and ready reaction in the true sense. It is more the practice of the classical masters of the past who demanded that their pupils absorb the daily dose of the consequences. But at the thought it is far from the idealistic Socratic method, that daily recitation required of each cadet is markedly effective in preventing that distracting gap between good intentions and their execution, which is so apt to appear under the popular lecture system. The effects of postponed mental effort are a problem at West Point."

"However, as long as the bulk of instruction is performed by young cadets temporarily assigned to the duty and whose sole qualification is that they stand reasonably well in the top third and were directed into the work and definitely be raised. It would be a permanent detail for all academic instruction, it is for the professors."
